Aero Norway appoints Kenneth Johnston as LEAP Program Manager to drive new capabilities

Aero Norway has appointed Kenneth Johnston as LEAP Program Manager to spearhead the integration of LEAP engine maintenance capabilities. Johnston brings 28 years of aviation experience and will lead efforts to incorporate cutting-edge technology, reinforcing Aero Norway's position as a key player in the MRO market.

His role will focus on promoting LEAP services, implementing readiness plans, and aligning the company with the future of aviation technology and sustainability goals.

COFOCO appoints former Noma Service Director James Spreadbury as CEO of Hotel Operations

COFOCO has appointed James Spreadbury as its first CEO of hotel operations, overseeing the award-winning Coco Hotel and the upcoming Hotel Bella Grande. With over 22 years of hospitality experience, including a 12-year tenure as Service Director at Noma, Spreadbury will focus on enhancing guest experiences and leading operations.

His expertise in luxury hospitality and innovation will be instrumental in elevating COFOCO's expanding hotel portfolio in Copenhagen.
